

AFLC Home Missions Knee-Mail

January 12th, 2007

Dear Praying Friends,

“But now in Christ Jesus you who formerly were far off have been brought near by the blood of Christ.” (Ephesians 2:13, NASB)

We are so grateful for the precious blood that Jesus gave so that we can be washed and made clean.

This will be a shorter *Knee-Mail*. We just want to update you on several things.

First, we are grateful to say that Sharon & Loren Tungseth are back home in Fergus Falls, MN. Sharon's surgery was a little more than what they'd planned, but the doctor gave them some good news and they're home again. Thank you for praying for them.

Rey Anderson, formerly a member of Trinity Lutheran in Grand Forks, ND, and in recent years a member of Calvary Free Lutheran in Mesa, AZ, passed away this morning. In talking to his wife Verona, there will be a memorial service on January 20th at Calvary Free Lutheran at 2:00 p.m. There will probably be a memorial service up at Trinity in Grand Forks in the spring. Be in prayer for Verona and the family during this time of grieving.

Right now is J-term for the students on campus, and this past week was Missions Emphasis week. We are so grateful for the Word that's been shared. Pastor Connely Dyrud has been sharing each evening on Jonah and we thank the Lord for his ministry. Thank you for upholding the J-term in your prayers.

This weekend I will have the opportunity of traveling up to Duluth, MN and will be speaking at St. John's Lutheran. We'll be doing Sunday School and worship. Please be in prayer for that time.

The Home Missions Committee men will be coming into town Sunday night. Our Home Missions Board will be meeting on Monday at the Headquarters office. We'll be joining the rest of the Home Missions family as our Prayer & Inventory Summit takes place at the ARC Monday evening through Tuesday afternoon.

We continue to ask that you pray for the Home Missions Committee members. Pray that God will grant wisdom in all the decisions they make.

Thank you for praying for us. May God grant you a blessed weekend as you serve Him.

Sincerely in Him,

Paul M. Nash, Director
AFLC Home Missions
