

Ukraine

July 11th – 25th 2010*

Cost: \$2,100*

Area: You will be working in western Ukraine in the city of L'viv.

Age: 15-19 years old**

Space: There is a limit of 8 students. This is first come first serve so apply quickly!

Missionary Requests: The missionaries have expressed a need for mature, Christian guys so we are looking for the ratio of guys to be greater than girls.

Training: Training starts on the 11th at the AFLBS campus and we will fly out on the 15th.

Application Deadline: February 1st 2010

During this trip you will be working with Tomasz and Miriam Chmiel (AFLC Missionaries on loan to EEMN) and Sam Menge (AFLC Student Missions Coordinator). You will be aiding Tomasz and Miriam in their ministry to their congregation and the people of their city, L'viv. The focus, however, will be working with the youth that Tomasz and Miriam work with. You will need to be a strong godly example for these young people who do not have that in their lives. We will train you in an oral Bible teaching method that will give you Scripture to confidently proclaim to them and teach them to use. This promises to be an exciting and challenging time for both you and those in the Ukraine.

* The dates and price are subject to change due to the airlines. They will be solidified later this year. The dates will change no more than a day or two.

** College students older than 19 may still apply but will only be considered after the application deadline, if there is still space available.
