

Missionaries to “Oil Patch”

Needed

Two Opportunities for prayerful consideration

Opportunity 1

We are asking God to provide men that will go live in “man camps” and work in the “oil patch” in western North Dakota. These men would have the opportunity to live out their faith while making a living. It would be like a “tent making” ministry. There will be financial help to start and a short training time before going.

Opportunity 2

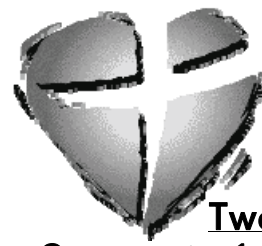

We are also praying for volunteers that would be driving and living in the unit pictured below. This would be a ministry primarily to the truckers in western North Dakota working in the “oil patches”. We are considering couples that would love to share Jesus and befriend lonely truckers.

Please pray with us that God would lead volunteers to consider these ministry opportunities.
