

# The Ambassador Hymnal for Lutheran Worship

The *Ambassador Hymnal* was published for those Lutheran congregations who wish to sing the hymns of their heritage while including the best of American gospel hymnody. The worship settings represent a broader liturgical stance than other Lutheran hymnals, including the *Common Service*, the second setting of the *Concordia Hymnal*, and other occasional services including a youth service and a laymen's service. There are devotional aids along with a large number of scripture selections which can be read responsively. The entire text of the *Augsburg Confession* and the three ecumenical creeds are included in the contents. The intent of the committee which created the *Ambassador Hymnal* was to provide to the Lutheran Church a hymnal which would be true to Lutheranism and which would be useful at home as well as in church. The *Ambassador Hymnal* has 634 hymns (listed below) and comes in two colors, red and navy. A perfect-bound accompanist's edition is available as well.
