For Pastors, **Annual Salary** amount listed above on form should include housing allowance.

**\*Employee Pre-tax Contribution** is deducted from the employee's salary before it is taxed.

**\*\*ROTH Contribution** is not deducted from the employee's salary so the full amount of this contribution is taxed before being added to their 401(k) account.

**\*\*\*Employer Pre-tax Matching Contribution** must be funded with money outside the annual salary package negotiated between pastor and church.

In addition, both a pastor and other employees must first be making an **Employee Pre-tax Contribution** and be employed for a period of greater than 12 months to receive the **Employer Pre-tax Matching Contribution**. If employee is making a **Employee After-tax ROTH Contribution** and is eligible for a **Employer Matching Pre-tax Contribution** the matching contribution will be posted in this column
