

## YOUTH WORKERS WEEKENDS

**Youth Workers Weekends** features a retreat with the following preparations. The Association Retreat Center (ARC) is making these efforts along with the YWW planning team of AFLC Youth Ministries, in order to hold an in-person getaway experience as reasonably safe as possible.

January 15-17, 2021

**Precautions** – The physical retreat will prevent potential spread through cleaning and disinfecting public surfaces by ARC staff that receive high contact.

**Meals** – Attendees will be encouraged to practice regular hand washing before meals. Buffet serving will feature hand sanitizer and disposable gloves.

**Lodging** – The ARC has agreed to provide AFLC Youth Ministries hotel-style lodging for the majority of YWW attendees. This step will keep couples/families as well as attendees together from the same congregation to limit exposure.

**Spacing** – YWW will utilize the ARC Gym for large group meetings and small group activities. Social distancing and face coverings will consider the local and state guidelines at the time of YWW.
