MINISTRY MOMENTS

- 45 youth leaders gathered for **Youth Workers Weekends** in January 2017 to receive equipping and encouragement for the ministry. Tony Souder from *Pray For Me Campaign* was the guest trainer.

- Our monthly email, the **YM Update**, is delivered the first few days of each month to all AFLC youth leaders, pastors, and congregations in our database. It includes a devotional thought, information about features on our website (www.aflc.org/youth), items for prayer and praise, details on our Video Clusters, and upcoming events.

- Six times a year, online **Video Cluster** sessions are offered for free to volunteer and vocational youth leaders.

These one-hour settings sharpen servant-leaders for healthy youth ministry in their congregational context. The next opportunities will be in June.

What passage brings Good Friday and Easter into view for you, Jason?

There are a number of passages that come back to mind this time of year. They have my heart and head drawn once again to reflect on our Savior King's sacrifice.
